Percent of All Schools	44%	40%	4%	28%	25%	21%	19%	15%	12%	10%	4%

Notes:

1 Categories are not mutually exclusive (one school could have listed Improvement Strategies related to both Writing and Reading, or to Professional Learning Communities and Climate & Culture and Differentiated Instruction).

2 If a school listed the same category in multiple Improvement Strategies, the category was only counted once on this table and the accompanying graphs. e.g. a school that indicated its intent to improve climate and culture in the areas of both college enrollment and cultural awareness would only be counted once in the Climate and Culture category.

3 Additional topics/categories were analyzed, but are not represented in these tables and charts due to low overall number of mentions in Major Improvement Strategies in school Unified Improvement Plans: Scaffolding (11 schools mentioned), Postsecondary and Workforce Readiness/PWR/College & Career (6), Graduation (6), Dropout/Dropout Prevention (4), ICAP (1).
