

# Jeffco Schools All Leadership Meeting

October 6, 2015

# Our Special Late Night Guest Segment...

---

In 35 years with Jeffco Schools, I never thought of “we the schools” and “them the District”...rather it was Us and We or together we made Jeffco Schools....

I want to thank you all for making Jeffco Schools a great place for kids and for those of us who work with you, thank you for your support of our schools and our students....

Paraphrase of **Frank DeAngelis** comments during safety training at the Education Service Center, Fall 2015

# Jeffco Schools Leadership Requires...

---

## ...a thick skin

You will never reach  
your destination  
if you stop and throw  
stones at every dog  
that barks.

- Winston Churchill

## ...a big heart

**You don't need to compromise  
your kind heart to develop  
thick skin.** Both will serve you in  
equal measure.
