What is Google Classroom?

Google Classroom is a digital portal to your child’s learning…

Teachers use Google Classroom to send and receive assignments and communicate with students.
Getting Started

● Your child has a secure @jeffcoschools.us login

● They should use this to login to any device
What if my student doesn't know their login?

● If your student doesn't know their login, have them check with their teacher or Digital Teacher Librarian.
Getting Started

Open the Google Chrome Web Browser
You **may need to sign in** (on any device other than a chromebook)

1. Log into your student's jeffcoschools.us account
2. You may need to choose the correct chrome user, if you have multiple chrome users on a device
3. Type in your student's password and click next
Getting Started

In the top right-hand corner of Google Chrome, Click on the waffle
Accessing Classroom

Now you will see all of your Google for Education Tools!

Click on the Google Classroom icon

** If you do not see Google Classroom as an option, click on “More from Google” at the bottom of the menu. Or simply navigate to Classroom by typing google.classroom.com into the omnibox.
If your student already has a Google Classroom, they simply click on the title of the class to open.

If your student is new to a Google Classroom they will do one of two things below (depending on how the class was set up)

**Option 1:**
Click the blue join button

**Option 2:**
Click the + button and enter the join code from your student’s teacher

Join class
Ask your teacher for the class code, then enter it here.
